

Hell's Half Mile Film & Music Festival 12!
September 28 - October 1, 2017
Parental Consent Form

This form must be completed and submitted by all HHM Film and Music Festival volunteers under the age of 18. The parental consent page will act as your volunteer info page, so you need not fill out both forms. Please present your signed consent page to the **Venue Manager** when you report for your shift. You are responsible for getting yourself to and from your work site in a timely manner. It is important that you sign in with the Venue Manager at your site, so that we have proof of your volunteer hours for your school coordinator. Some high schools require a *service hours card* to be completed and signed by an events coordinator. These are usually available in your counseling office, so bring one with you to your shift. If you are a BCPS student, we have some cards on site, in case you forget. Thanks so much for your enthusiastic and energetic participation! You help to make our film fest a great event!

I (please print) _____ give my child _____ permission to participate in the Hell's Half Mile Film and Music Festival in Bay City, MI.
